

Community Trademarks

■ Contents :

Information concerning the Community Trademarks is available before publication , approx. one week after reception by OHIM. All the administrative information is provided, including the Goods and Services, which is listed at a minimum in the first language of application (one of the 20 official languages of the European Union).

When the mark is published, the description of the Goods & Services is listed in the language of the interface (French, English, German or Dutch). It is possible to ask for the display of a translation of all of the 20 languages of the European Union (Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Slovak, Slovene, Spanish and Swedish).

When the mark is registered, the data is enriched with the expected date of expiry.

This register contains active and inactive Community marks. Administrative and legal status data is also included.
