

France

Trademarks

■ Contents :

Legal, administrative and bibliographic information concerning French trademarks:

- Information on new trademarks available before publication - approx. 2 to 3 weeks after filing
- Trademarks published in the Official Bulletin of Industrial Property (BOPI): information regarding publication, registration and renewal
- Images of devices or logos for graphic and semi-graphical trademarks
- Search for devices or logos using special graphical coding (Vienna Classification)
- Information for monitoring of the life of a trademark: when the trademark is renewed, information is added to the record.
- Access to legal decisions concerning a particular trademark

Note: Inactive marks are only covered from 2002 (end of validity date)

Remarks: For a comprehensive search of all trademarks having effect in France, search in the **FRANCE**, **INTERNATIONAL** and **COMMUNITY** registers. In the International register, select (European) Community and France as designated states.
