

International Trademarks

■ Contents :

- Bibliographic, administrative and legal information on international trademarks registered at WIPO (World Intellectual Property Organization) - Madrid Agreement and Protocol
- Trademarks published in the « Gazette des Marques Internationales » (GIM), formerly « Les Marques Internationales » bulletin (LMI)
- Information concerning inactive trademarks

For a comprehensive search on a specific country, it is necessary to search also for the national trademarks of this country and for European community trademarks (if that country is a member of the European Community).

For a search of trademarks destined for international registration (after national application), one may search the entire international collection without reference to a particular country.

Note: Pending applications are not included.

■ Period covered :

- From 1977 for trademarks registered upon Agreement
- From 1996 for trademarks registered upon Protocol
- From 1977 to May 21, 1996 for trademarks published in LMI
- From June 12, 1996 for trademarks published in GIM

■ Language of Goods & Services :

- French for trademarks registered upon Agreement
- French and English for trademarks registered upon Protocol
