

Russian Federation Trademarks

■ Contents :

- Information about current and inactive trademarks
- The name of the mark is given in the language of application and the names of the owners are provided in Russian. (Transliteration of Cyrillic characters will be provided in the near future).
- The statutes and the various events of the life of the mark from 1991 onwards (Change of the Owner's name, Renewal, Termination of Protection, Expected expiration etc.) are indicated in the field "Notifications".

Remarks: For a comprehensive search of all trademarks having effect in the Russian Federation, search in the **RUSSIAN FEDERATION** and **INTERNATIONAL** registers. In the International register, select Russian Federation as a country designated or claimed according to the Madrid Protocol.
