

Slovenia

Trademarks

■ Contents :

- Unpublished trademark applications (without Class and Goods & Services information)
- Published trademark applications
- Trademark registrations: The owner information first appears with this stage; in previous publication stages the information only concerns the applicant (not searchable).
- Information concerning inactive trademarks: The date given in the field "date of renewal " indicates the date of the next renewal and a date that is in the past signifies that the trademark is expired.

Note: The application number and the registration number are identical.

Remarks: For a comprehensive search of all trademarks having effect in Slovenia, search in the **SLOVENIA**, **INTERNATIONAL** and **COMMUNITY** registers. In the International register, select (European) Community and Slovenia as designated states.
