

Spain

Trademarks

■ Contents :

- Trademark applications published in the "Boletin Oficial de la Propiedad Industrial" (BOPI)
- Trademark registrations published in the "Boletin Oficial de la Propiedad Industrial"
- Information concerning inactive trademarks

The statutes and the various events of the life of the mark are indicated in Spanish in the field "Notifications".

Before July 31, 2002, a Spanish mark was required to be filed in each of the claimed Goods & Services classes separately.

Note: Unpublished trademark applications are not included.

Remarks: For a comprehensive search of all trademarks having effect in Spain, search in the **SPAIN Trademark**, **SPAIN Commercial Names** and **SPAIN Establishment Signs** as well as **INTERNATIONAL** and **COMMUNITY** registers. In the International register, select (European) Community and Spain as designated states.
