

# United Kingdom Trademarks

## ■ Contents :

- Unpublished pending trademark applications
- Trademark applications published in the Trade Marks Journal (TMJ)
- Trademark registrations published in the Trade Marks Journal (TMJ)
- Information concerning inactive trademarks

The status of the trademark is indicated in the field "Section". In the case of licence, information is indicated in the field "Delivered Licence: Yes".

**Remarks:** For a comprehensive search of all trademarks having effect in the United Kingdom, search in the **UNITED KINGDOM, INTERNATIONAL** and **COMMUNITY** Registers. In the International register, select (European) Community and United Kingdom as designated states.
