

# Questel invest in ITIP and becomes a leader in international filing with a unique cost management solution

PARIS, FEBRUARY 2017

Questel announce its investment in ITIP, based in Michigan and founded in 2005 by Tom Quinn, who will remain CEO. **“ITIP propose a unique software approach to big saving in prosecution costs”** explain Charles Besson, Questel CEO, **“it is a perfect fit with our new IAM (Intellectual Asset Management) software solution”**. **“Questel has the technological means to help us go further in cost management”** mention Tom Quinn, **“as well as the international presence to help us grow”**.

**“ITIP senior management team has nearly a century of experience working for large corporations as General Counsel, Chief IP Counsel and patent professionals”**, adds Charles Besson, **“and this is a precious knowledge for us at Questel and our strategy to cover 100% of the IP needs”**.

**ITIP’s** innovative solutions provide complete transparency into the cost management of IP law firms and international agents. Bringing together a unique vision that combines proprietary best practices, state of the art IT technology and IP human resources, ITIP has a variety of proven solutions for large companies to cut through waste and eliminate unnecessary cost.
